Case No. 2:17-cv-03185-BHH

**DECLARATION OF MICHAEL E. MOSKOVITZ
IN SUPPORT OF INTERIM LEAD COUNSEL'S MOTION FOR AN
AWARD OF ATTORNEYS' FEES AND LITIGATION EXPENSES**

I, Michael E. Moskovitz, declare as follows:

1. I am a Partner with Freed Kanner London & Millen LLC. I submit this declaration in support of Interim Lead Counsel's motion for an award of attorneys' fees and expenses in connection with the services rendered, and costs and expenses incurred, in the above-captioned litigation (the "Action").
2. My firm is one of the Class Counsel for the Plaintiffs in the Action.
3. The schedule attached as Exhibit A sets forth my firm's total hours and lodestar, computed at historical rates, for work performed on the Action from inception through June 30, 2025. The total number of hours spent by my firm during this period of time was 1,090.70, with a corresponding lodestar of \$622,040.00. This schedule was prepared from contemporaneous, daily time records prepared and maintained by my firm.
4. In connection with representing the Plaintiffs in the Action, my firm did the following, *inter alia*: assisted in establishing the document database, which included working

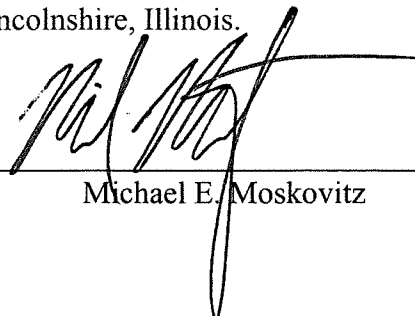

with the vendor, analyzing search options and technology-assisted review capabilities, and preparing the platform for document review; analyzed document requests and develop search-term proposals; met and conferred with Defendants regarding search terms; drafted lengthy correspondence to Defendants regarding search terms; drafted protocols and developed search terms to streamline document review and prioritize documents for review; analyzed audio recordings and worked with vendors regarding transcription; drafted the document-review protocol, including coding guide, for the document review; participated in conferences with co-lead counsel and attorneys regarding all phases of the document review; trained attorneys for document review; analyzed documents produced by Defendants; conducted second-pass document review; and oversaw document review.

5. The lodestar amount reflected in Exhibit A is for work that was assigned by Interim Lead Counsel and performed by attorneys and professional staff for the benefit of the Class. The hourly rates for the attorneys and professional staff reflected in Exhibit A are the usual and customary hourly rates historically charged by my firm in similar matters, except for time spent exclusively on document review, which Interim Lead Counsel capped at \$350 per hour.

6. My firm has expended a total of \$3,788.53 in unreimbursed costs and expenses in connection with the prosecution of the Action through June 30, 2025. These costs and expenses do not include my firm's assessment payments to the common cost litigation fund maintained by Interim Lead Counsel. These costs and expenses are set forth in the schedule attached as Exhibit B and are reflected on the books and records of my firm.

I declare under penalty of perjury under the laws of the United States that the foregoing is true and correct.

Executed this 11th day of August, 2025, in Lincolnshire, Illinois.
